About Sempio

Foundation of Taste in Korea

Founded in 1946, Sempio is Korea's oldest and most renowned soy sauce brand, leading the industry with over 50% market share. On top of this, Sempio's many products are continually recognized by industry experts for their outstanding quality. Through the use of superior technology, Sempio continues to lead the Korean soy sauce and condiment markets by producing high quality products.

New Horizons, New Tastes

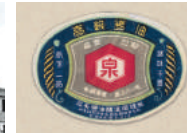

Sempio continues to invest in research and development with the goal of creating a diverse mix of foods that everyone around the world can enjoy. For example, the Sempio Fermentation Research Center utilizes modern development techniques along with over 70 years of accumulated knowledge to develop new and innovative products. In addition, Sempio collaborates with the Alicia Research Center and chefs from all around the world on numerous projects seeking to capture the world's best flavors.
